Eligible subject

Practical Course of Topographical Anatomy 1 - participation in Anatomic Dissection with 1st year students

All students of the 2nd – 6 th year interested in participation as demonstrators at the winter dissection course /see below/ are invited to the meeting

on Wednesday November 1 at 3:00

or

on Wednesday November 22 at 5:45

at Great Lecture Hall of Institute of Anatomy

I appreciate you to e-mail me your application for the course at advance, before the day of meeting. **Pavel.Snajdr @lf1.cuni.cz**
Your e-mail should contain your full name altogether with study group number eventually your previous experineces with dissection.
In case the term of our meeting intereferes with your timetable, please inform me as soon as possible, I can plan one more term for the meeting.

We have limited number of positions for demonstrators**. Because the number of interested students exceeds our capacity, we make selection during the meeting via PowerPoint slide test covering subject of the course.**

Participation in this course is recognized as eligible subject /see above/.

E. ALEK Anatomy Dissections 1 in WS (27 hrs)
Groups 1051-1056 dissect daily 14:30 - 17:45 from **December 7** (Thursday) to **December 14** (Thursday). Day 6th: demonstration and credit.
