and/or

Practical Course of Anatomy for Dentists – participation in Anatomic Dissection with 1st year student of Dentistry **April 4 to April 17, 2019;**

and/or

Practical Course of Clinical Orofacial Anatomy
- participation in anatomic dissection with 3rd year students –
Clinical orofacial anatomy April 23 to April 29

All **students of the 2nd – 6 th year** interested in participation as demonstrators at the summer dissection courses
are invited to the meeting

on Thursday March 14th at 5.45 p.m.

at Large_Lecture Hall of Institute of Anatomy

I appreciate you to e-mail me your application for the course at advance, before the day of meeting. Pavel.Snajdr @lf1.cuni.cz

Your e-mail should contain your full name altogether with study group number eventually your previous experiences with dissection. We have limited number of positions for demonstrators. **Because the number of interested students exceeds our capacity, we make selection during the meeting via power point slide test** covering subject of the course.

Participation in this course is recognized as eligible subject /see above/.
