

CHARLES UNIVERSITY
First Faculty of Medicine

INSTITUTE OF ANATOMY

Invitation

**For the open selection process of future lecturers of the practical classes
in Anatomy for the academic year 2024/25.**

Dear Colleagues,

We are searching for those among you who are interested in deepening their anatomical skills and using them in instruction of your junior colleagues. A pre-requisite is **repeated** participation on anatomical dissection courses in the capacity of Dissection Assistant/Demonstrator.

**The interviews will be held
on Thursday, May 16, 2024 at 14:15
in the Library of the Institute of Anatomy.**

Please deliver **your applications** to the secretary of the Institute (personally or via email: anat@lf1.cuni.cz) by **Monday, May 13** at the latest, including the Letter of Motivation, which should include your activities at the Institute of Anatomy so far, your grade from the final exam, language skills, current year and study group, your mailing address, e-mail and phone number. Just in case the selection process turns out to be *in absentia*, it is useful to make the letter informative (i.e., include your interests and career plans so we can obtain a better picture of you).

We are looking forward to your applications!

March 20, 2024
