

Peritoneum, cévní zásobení, lymfatická drenáž a inervace

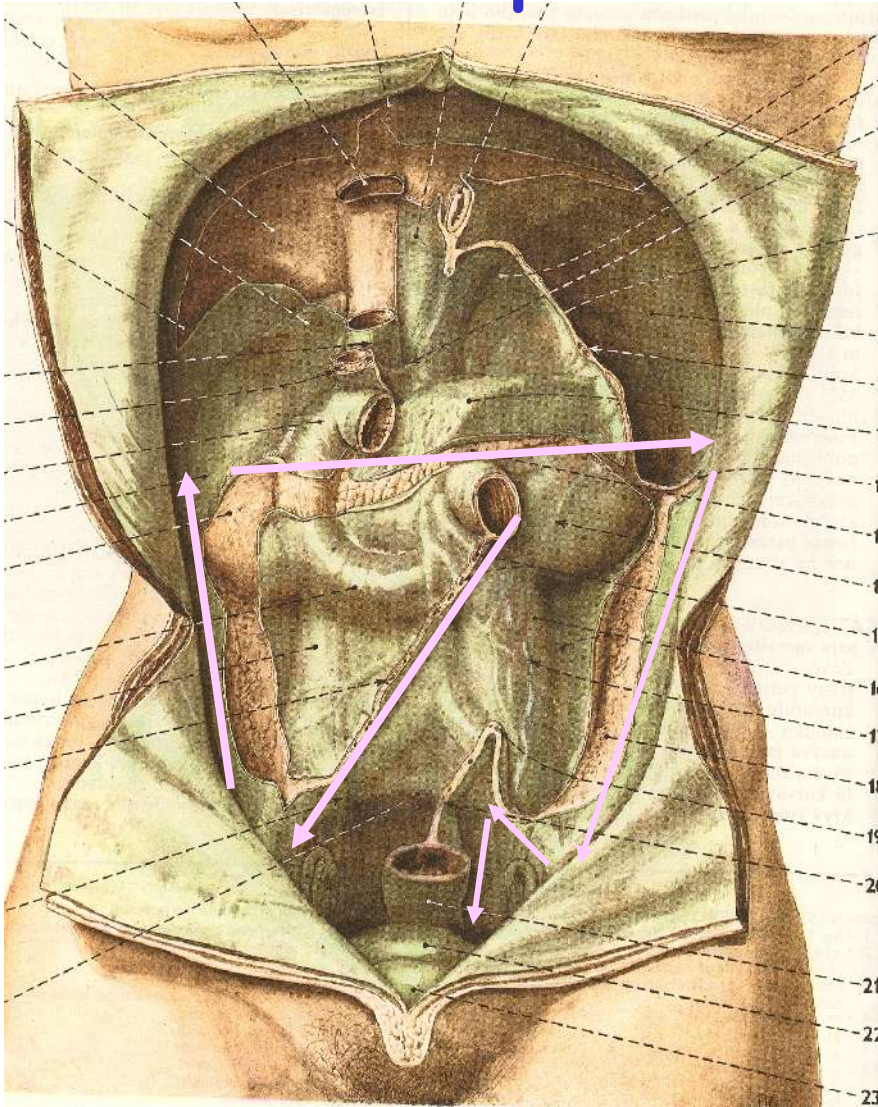

Karel Smetana

Vývoj peritoneální dutiny

K.L. Moore: The Developing Human, W.B. Saunders, Philadelphia, 1982

Dorsální parietální peritoneum

Truncus coeliacus

A. mesenterica superior

Supramesokolická

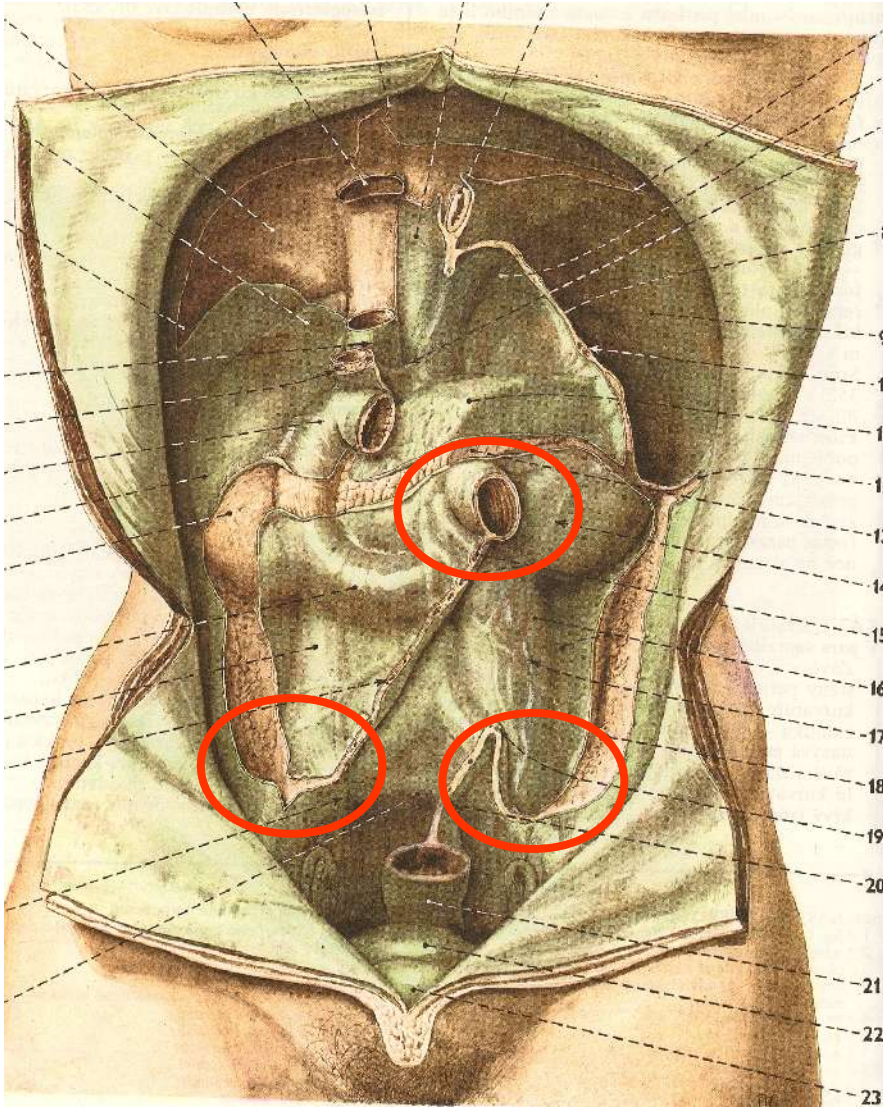

Pravé

Inframesokolická

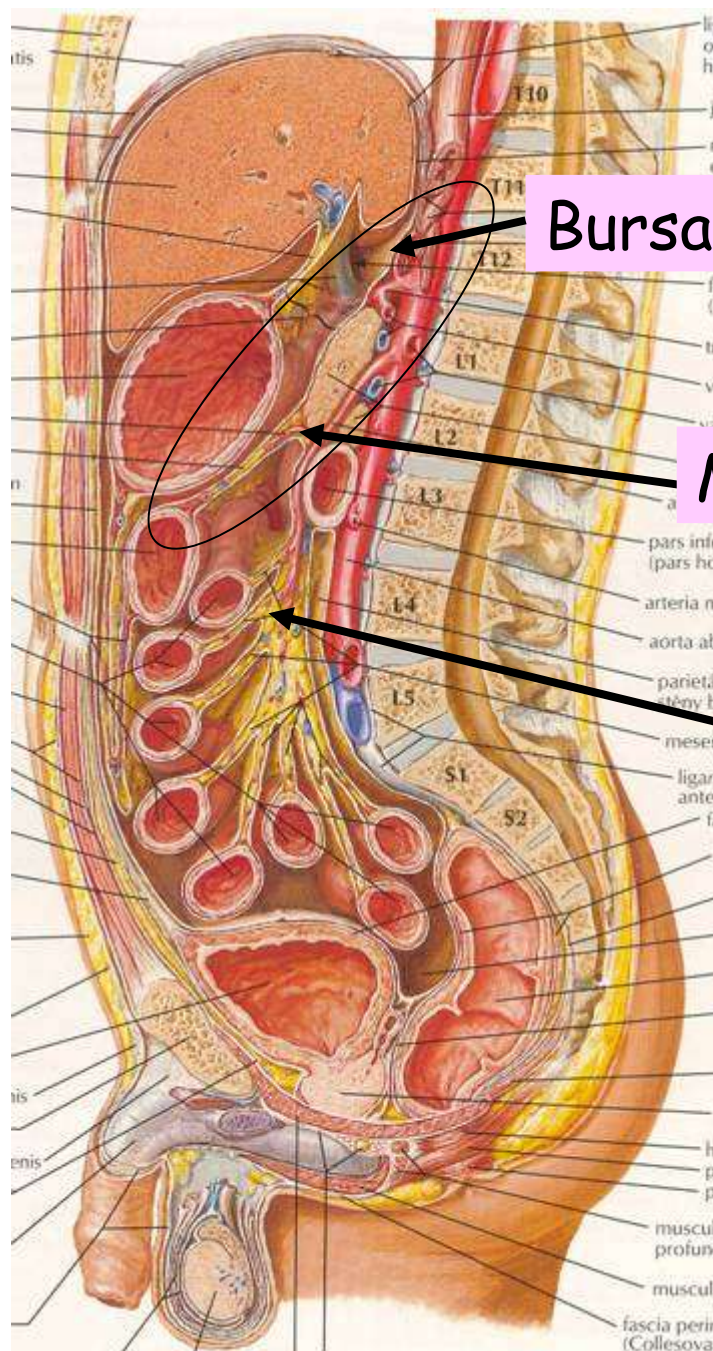

Levé

A. mesenterica inferior

Pereitoneum- recessy

R. Čihák: Anatomie 2, Avicenum, Praha, 1988

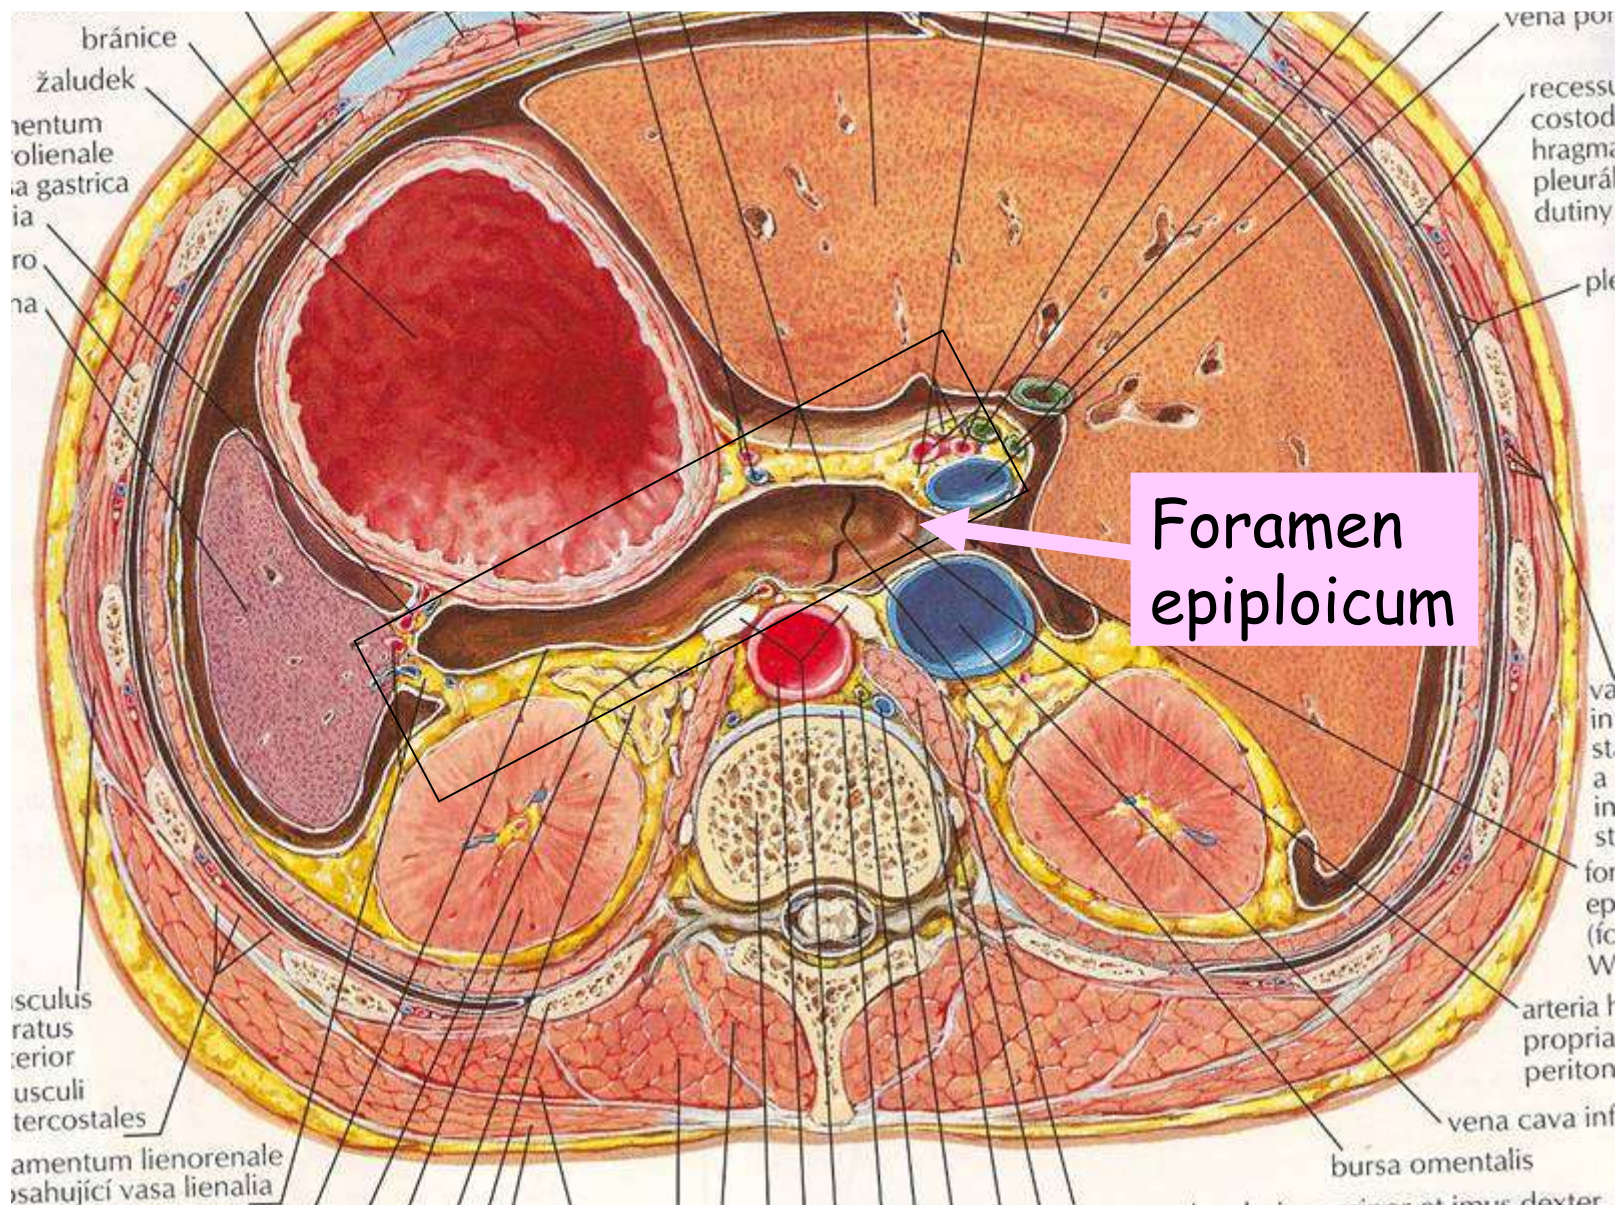

Bursa omentalis

Mesocolon transversum

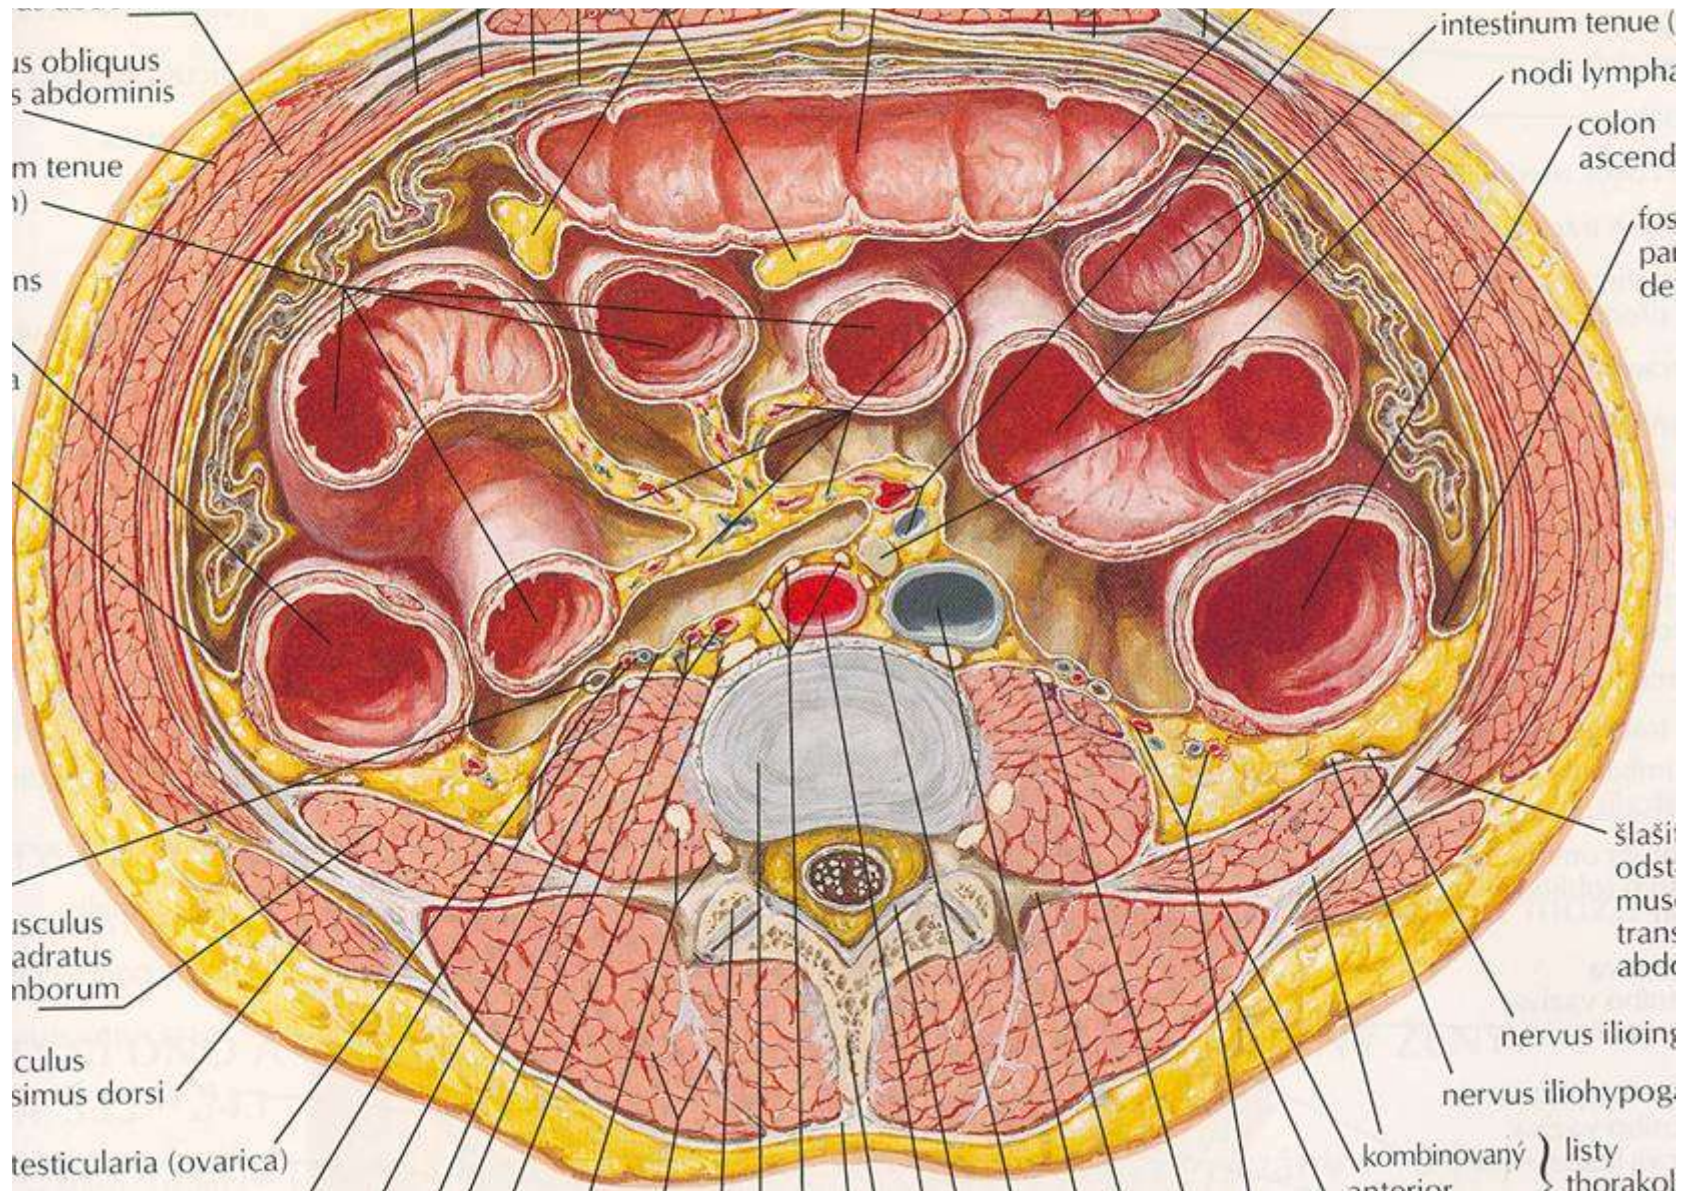

Radix mesenterii

F. H. Netter: Anatomický atlas
člověka. Grada/Avicenum, Praha,
2003

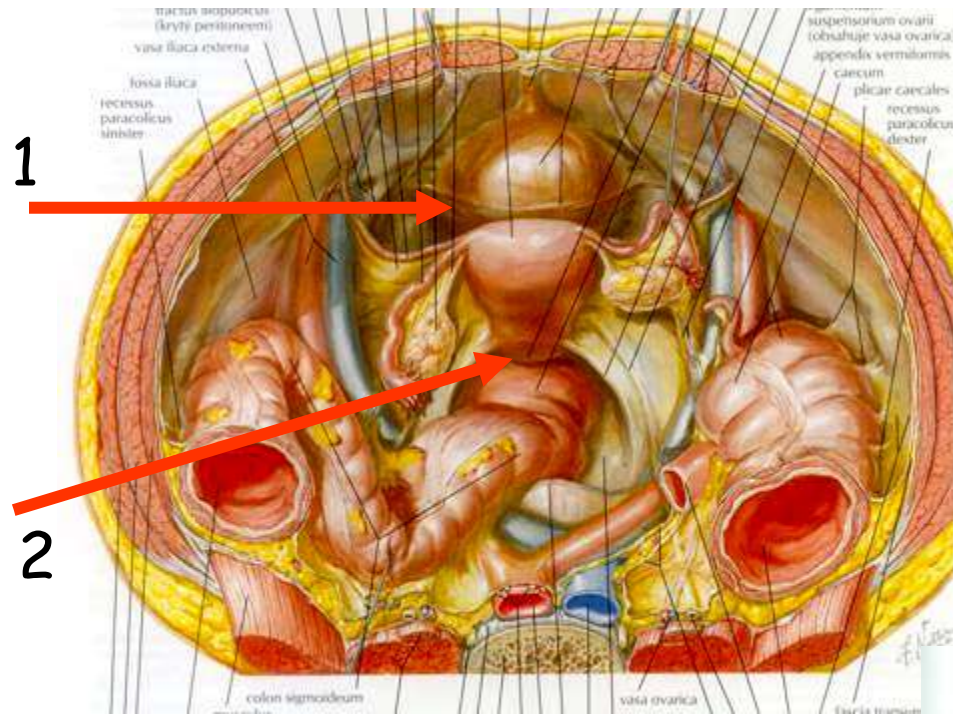

Bursa omentalis

Pars inframesocolica

F. H. Netter: Anatomický atlas člověka. Grada/Avicenum, Praha, 2003

Topografie pánve

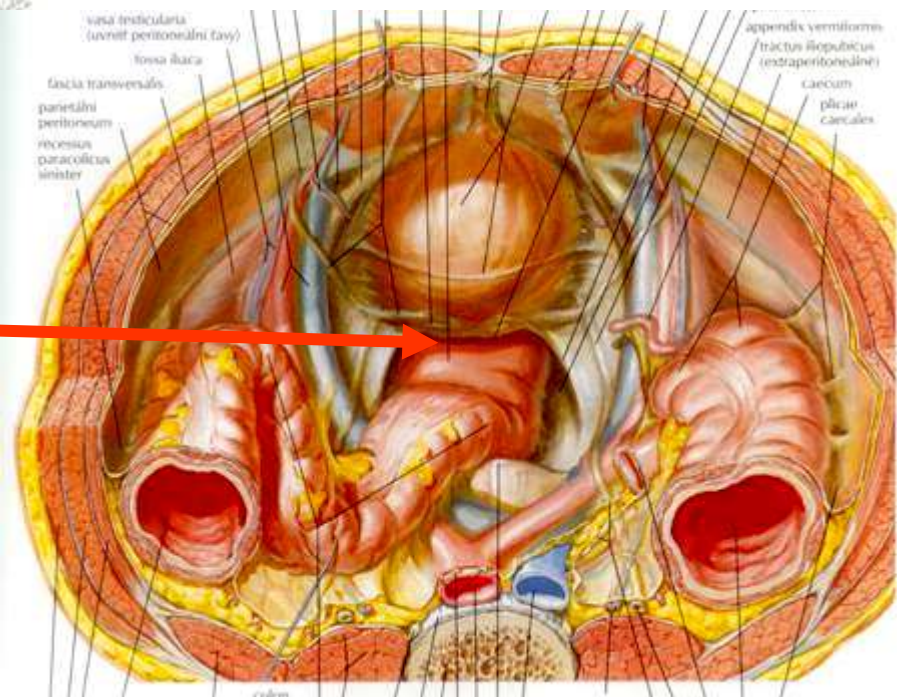

Excavatio:

1. Vesicouterina
2. Rectouterina
- 3.

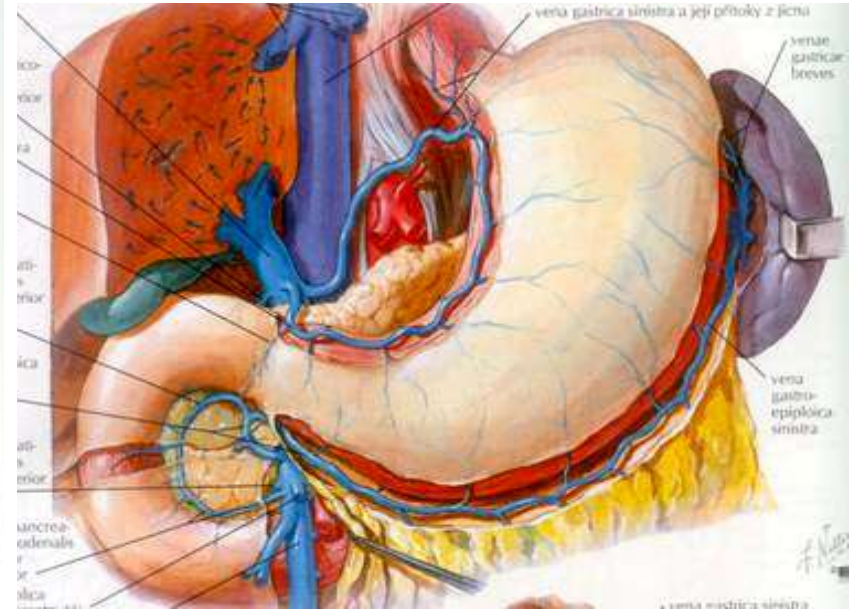

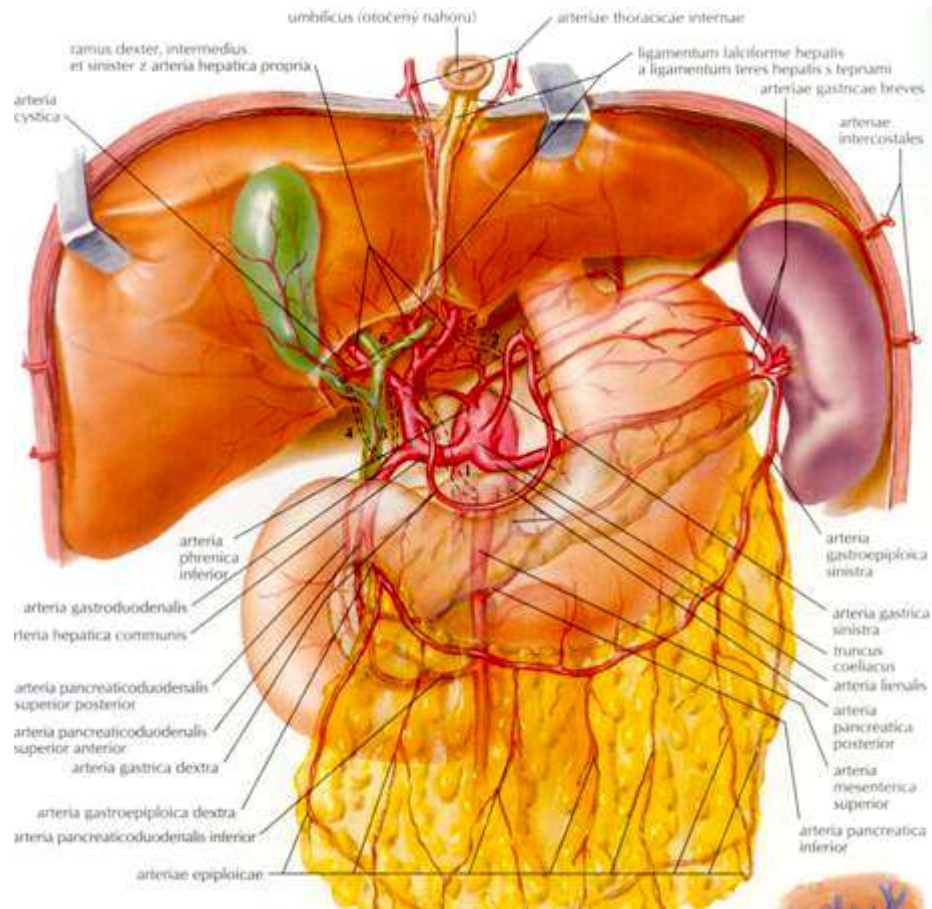

Rectovesicals

F. H. Netter: Anatomický atlas člověka. Grada/Avicenum, Praha, 2003

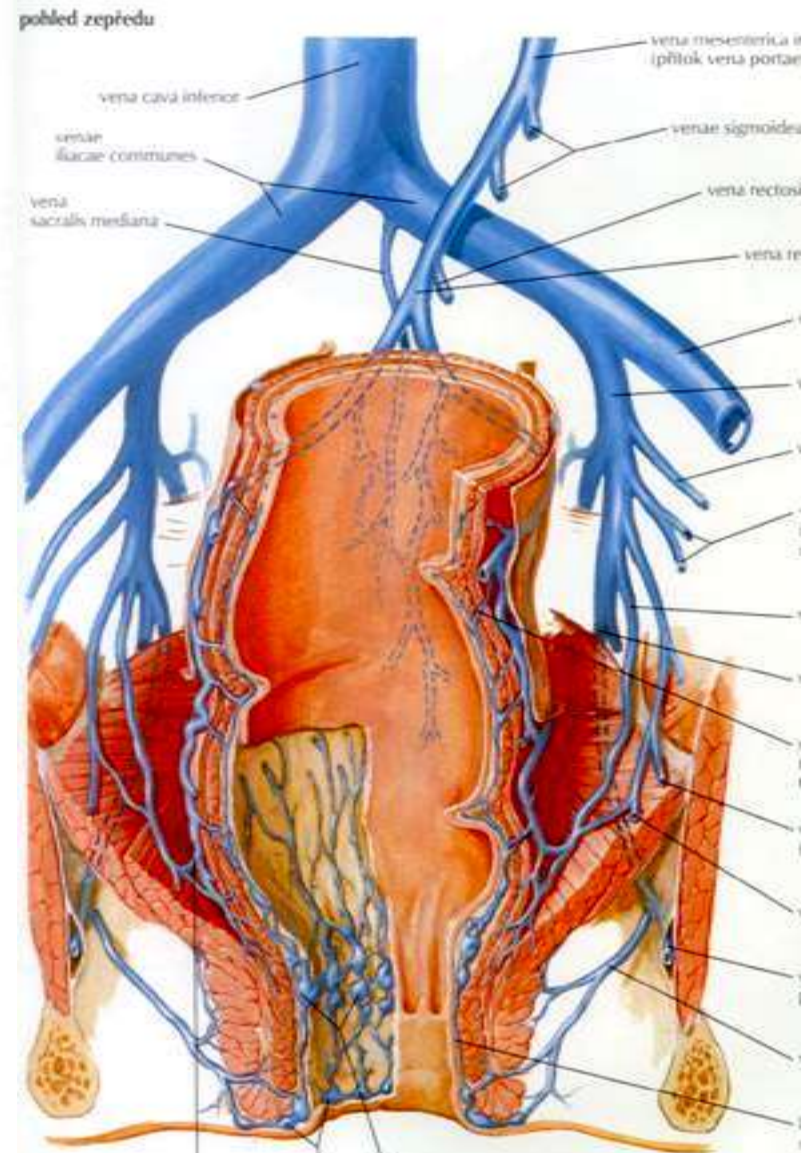

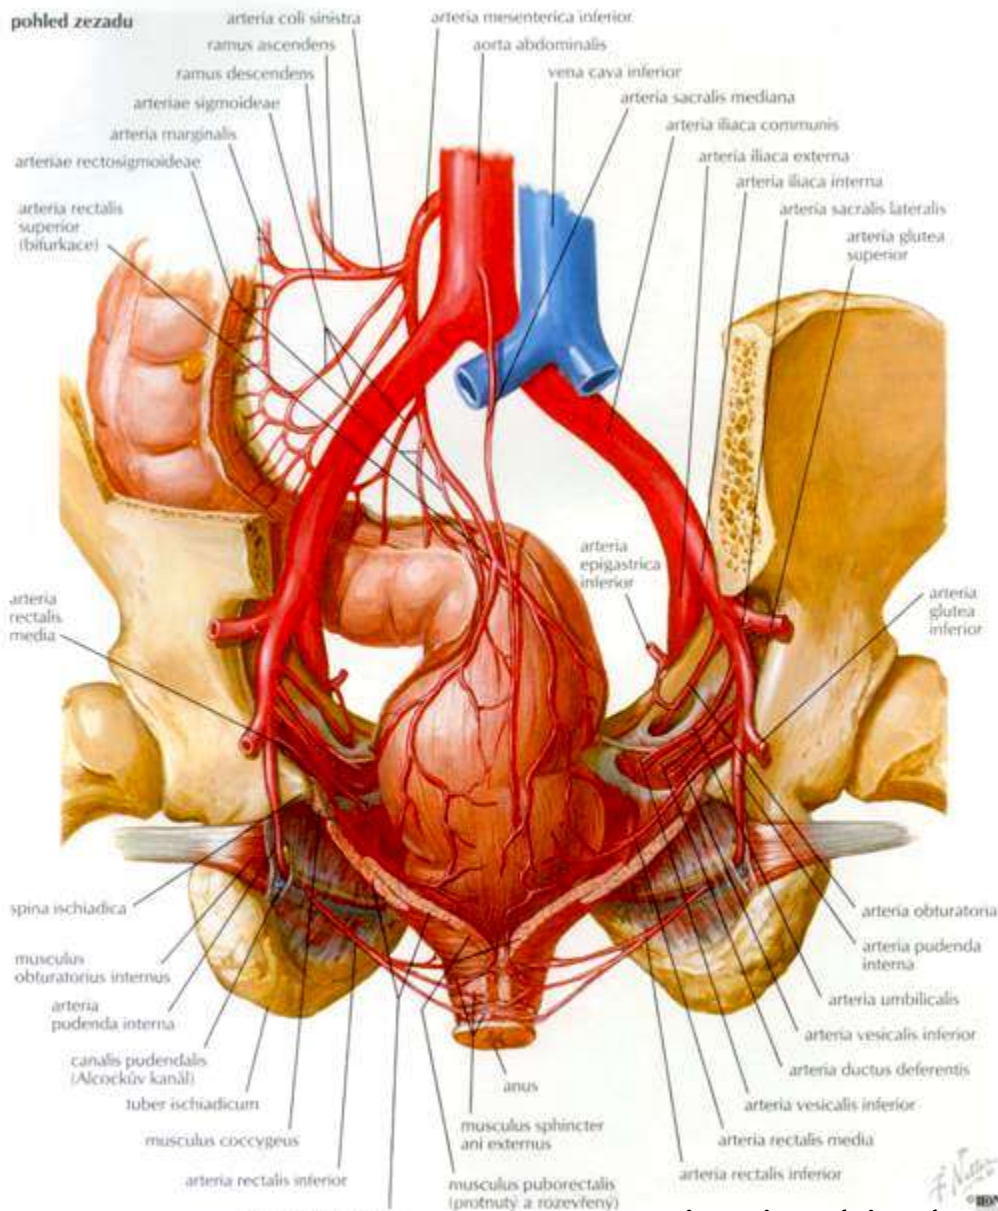

3

Cévní zásobení-pars supramesocolica

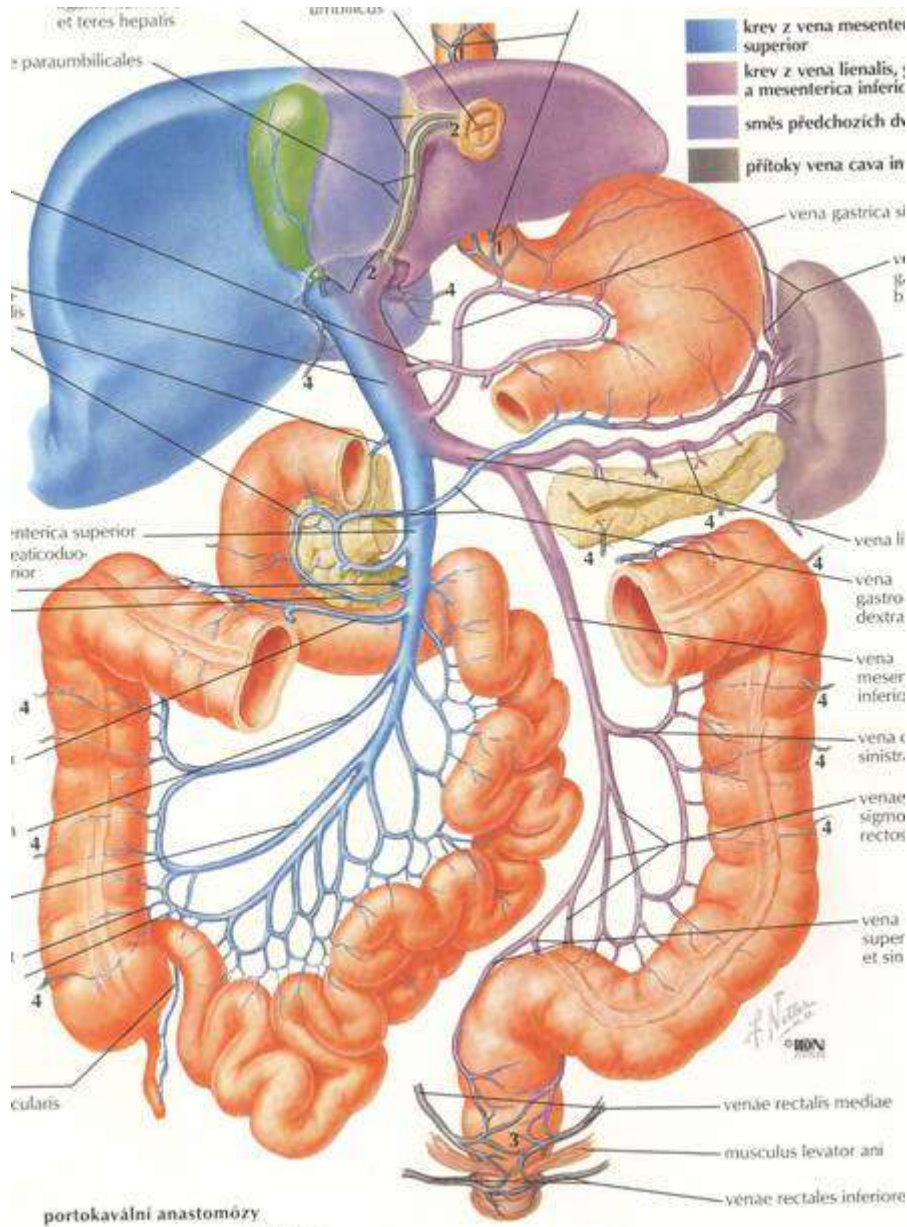

Cévní zásobení-rectum

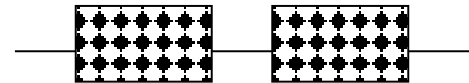

F. H. Netter: *Anatomický atlas člověka*. Grada/Avicenum, Praha, 2003

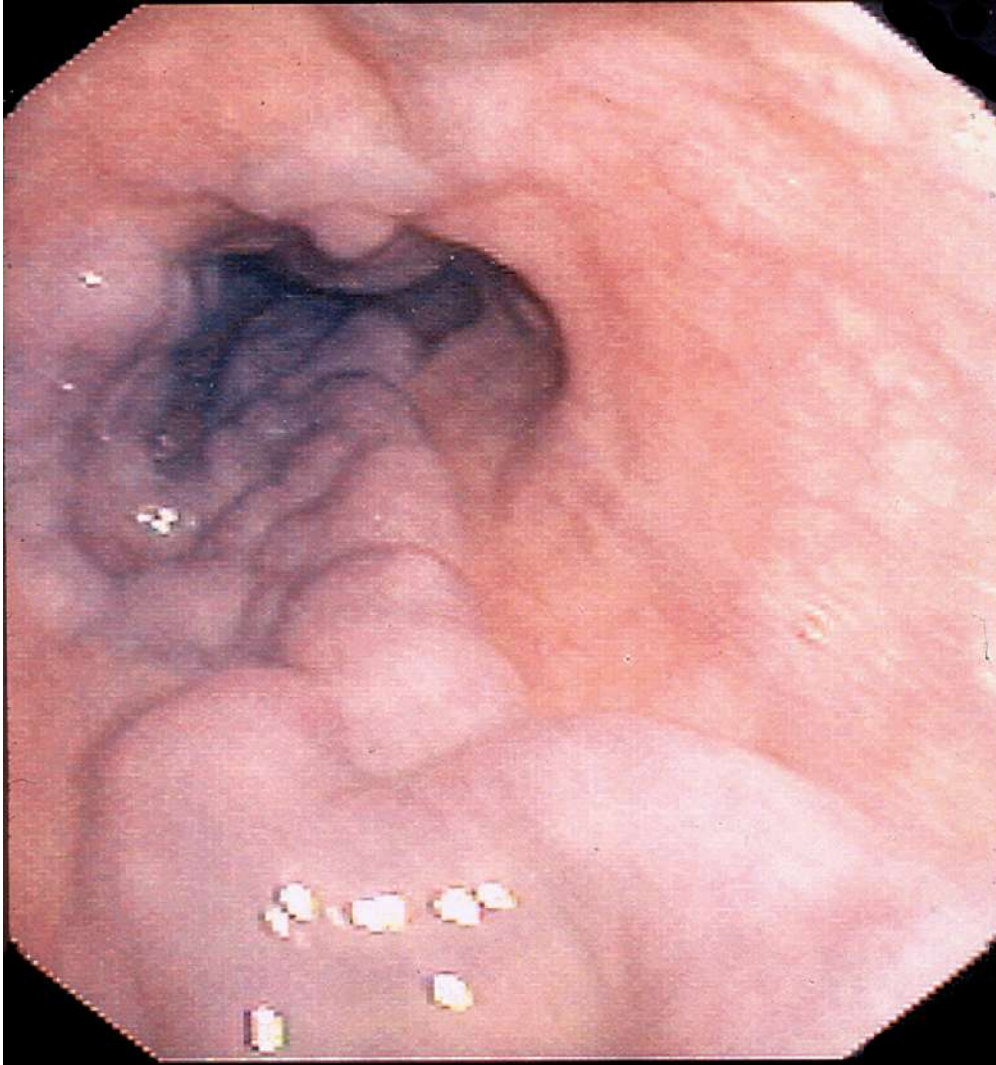

Vena portae
+ portocaval
anastomoses

Two capillary systems

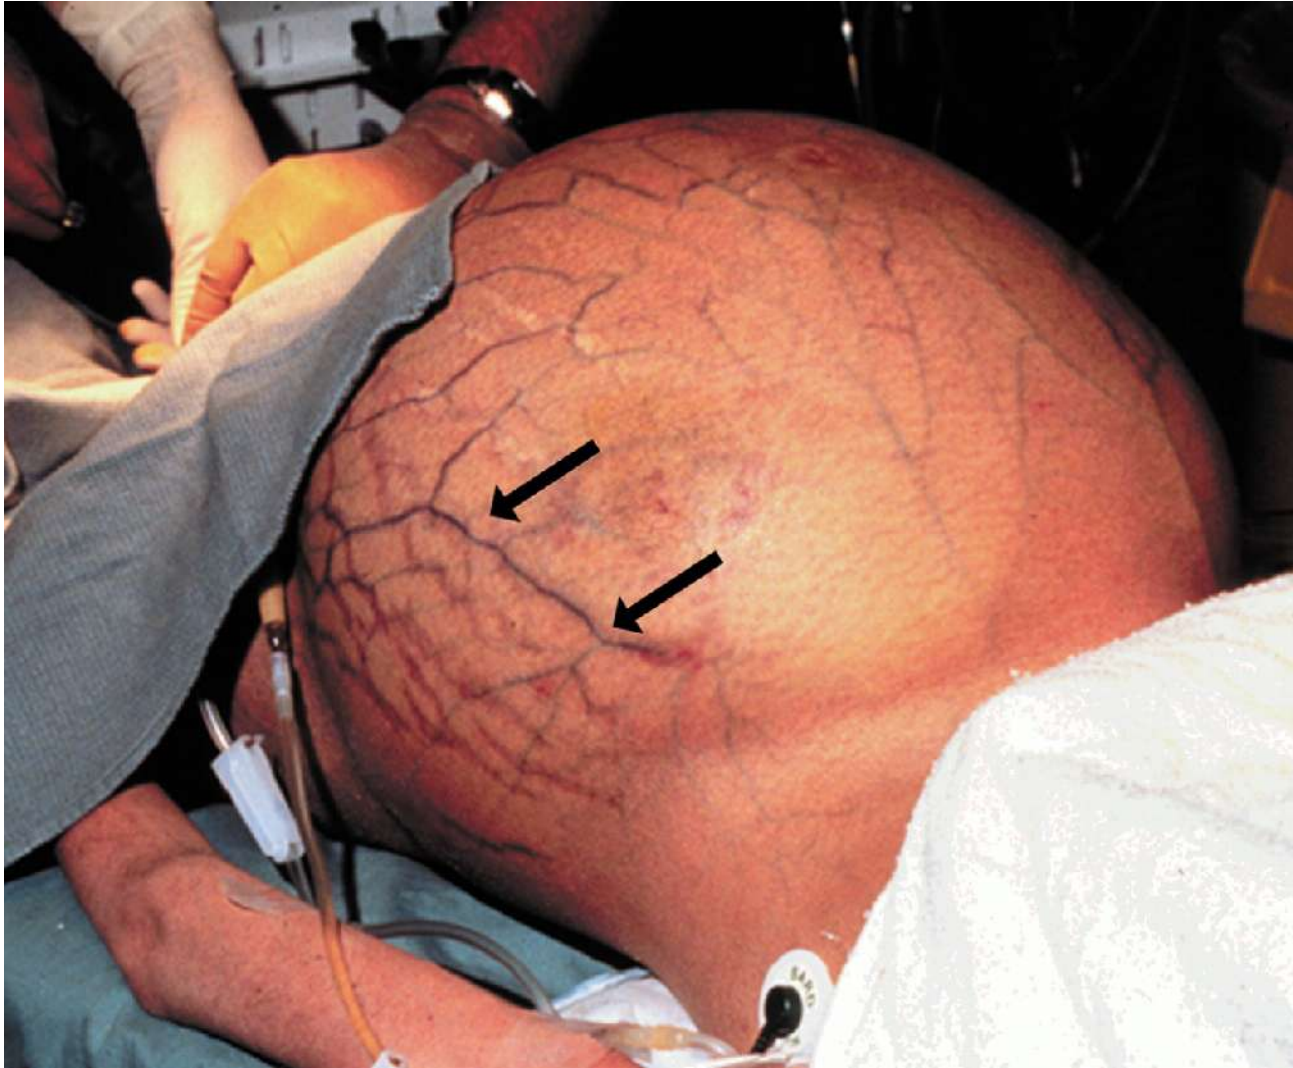

F. H. Netter:
Anatomický atlas
člověka.
Grada/Avicenum, Praha,
2003

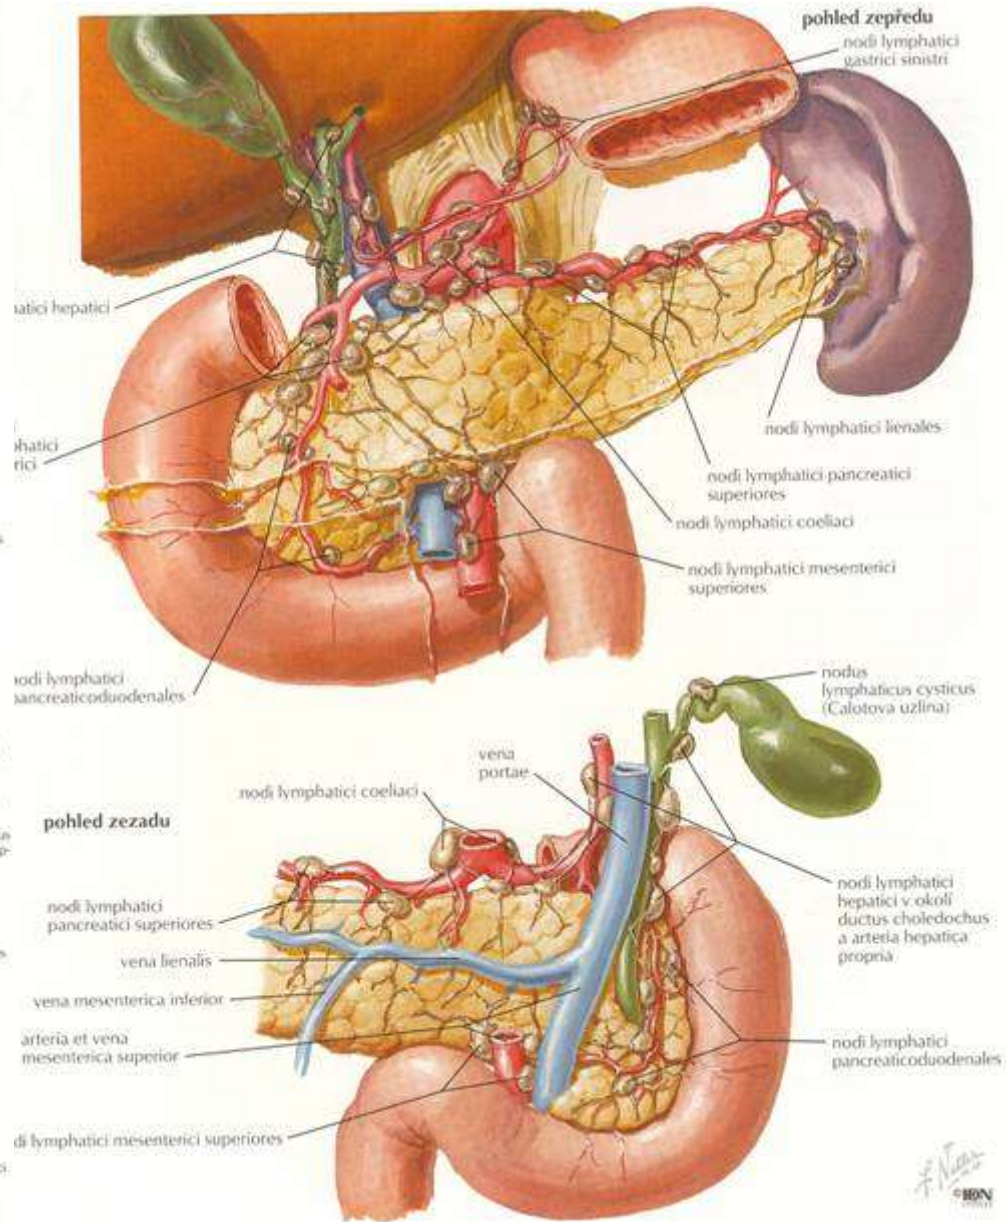

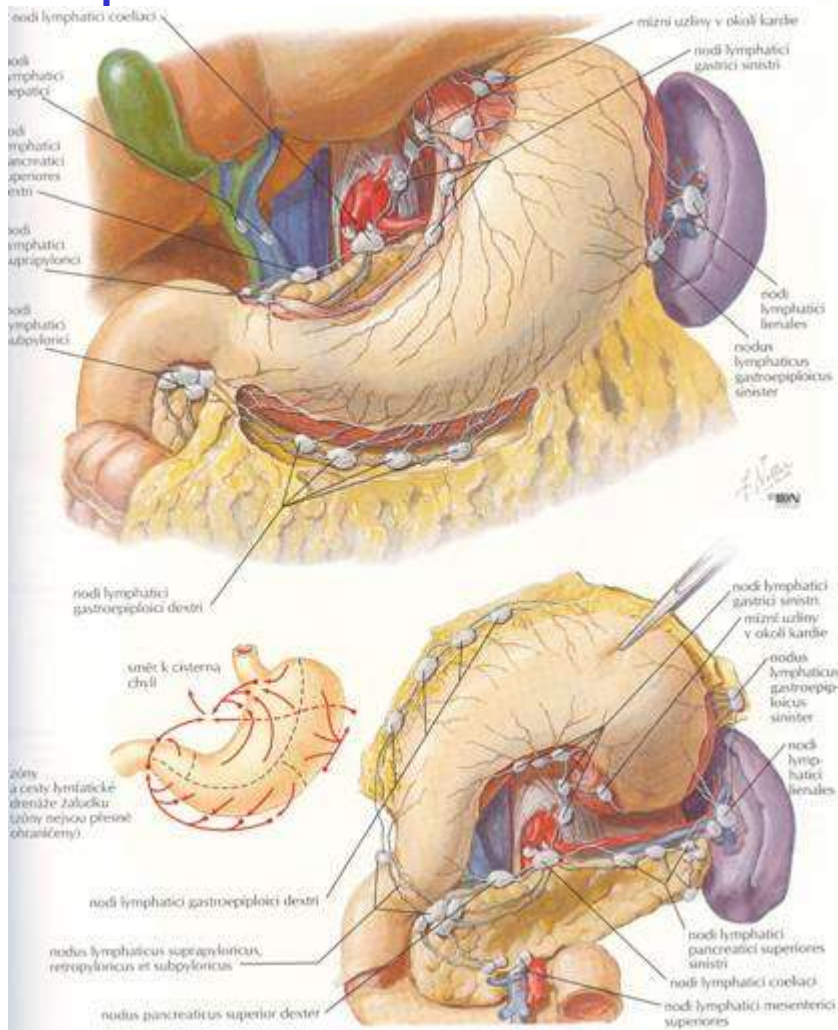

Portocaval
anastomose-
oesophageal
varicosity

Portocaval anastomose caput medusae

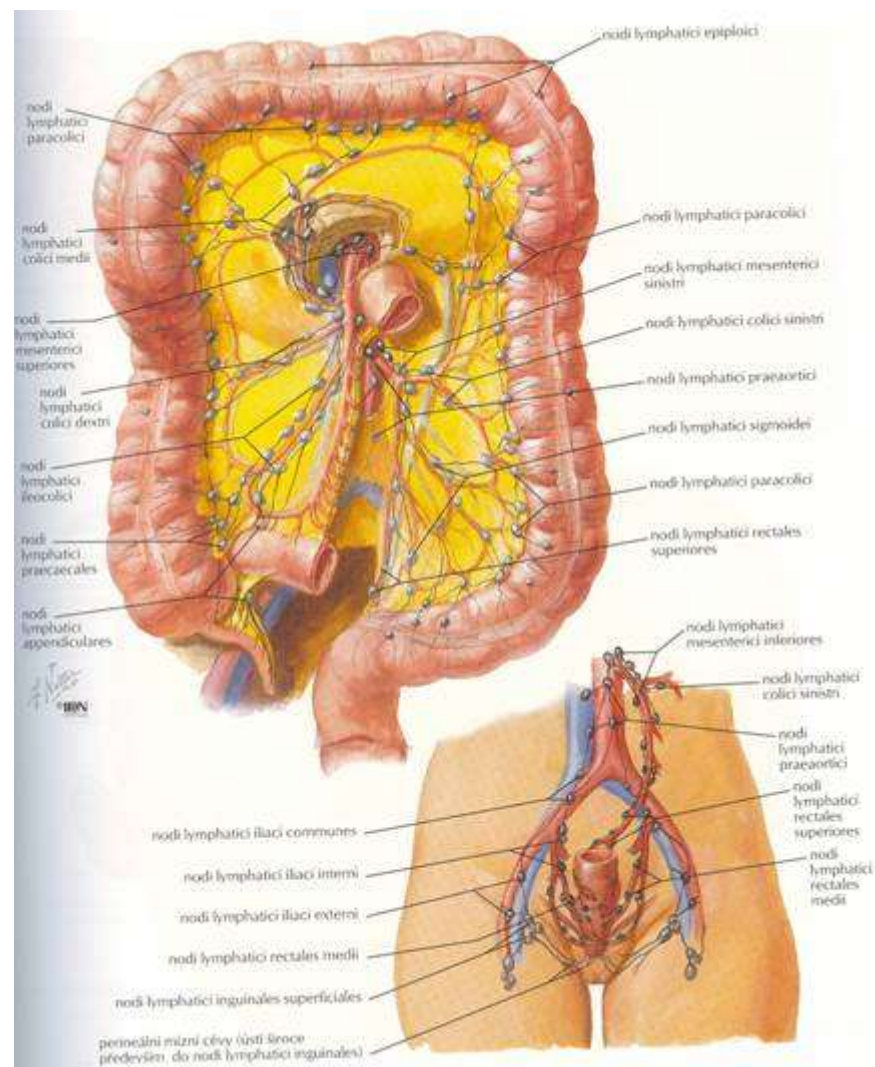

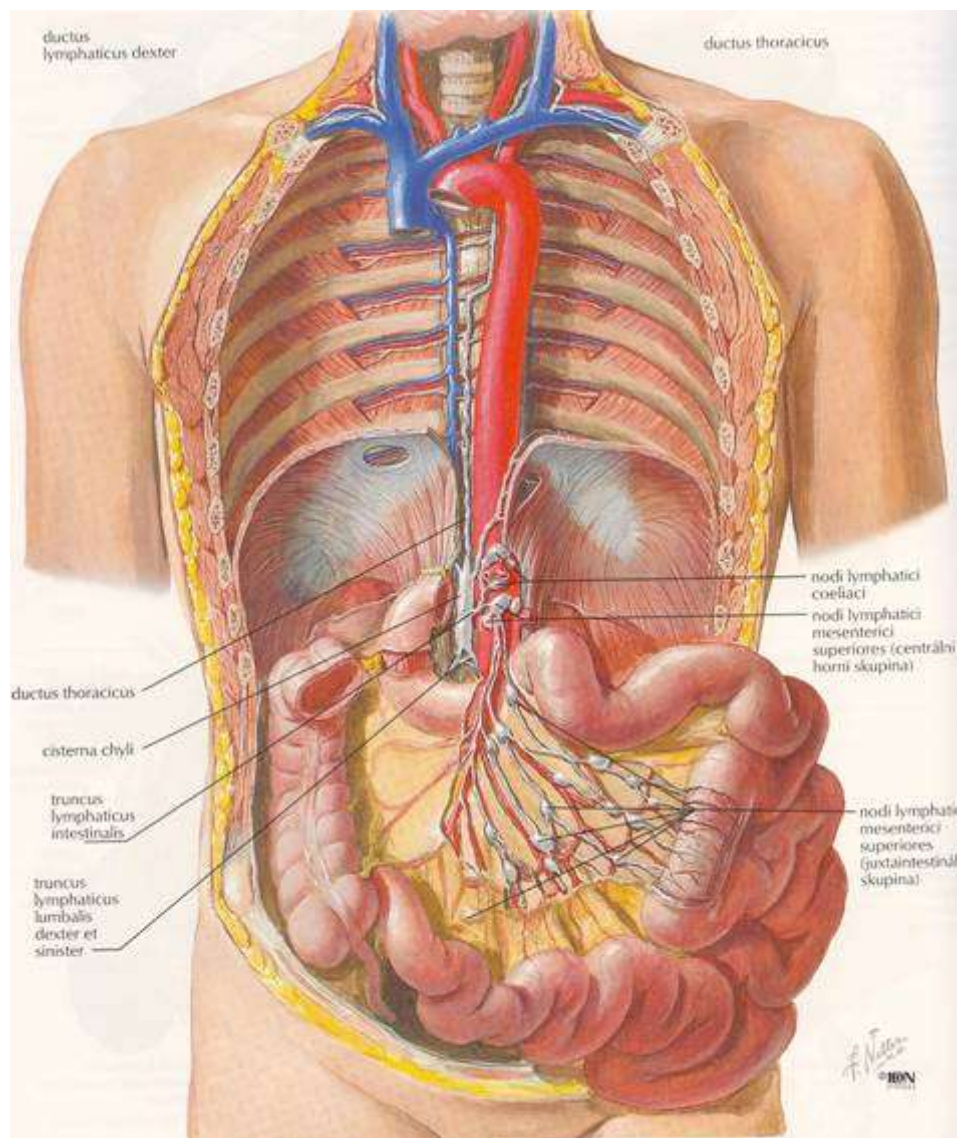

<http://radiographics.rsna.org>

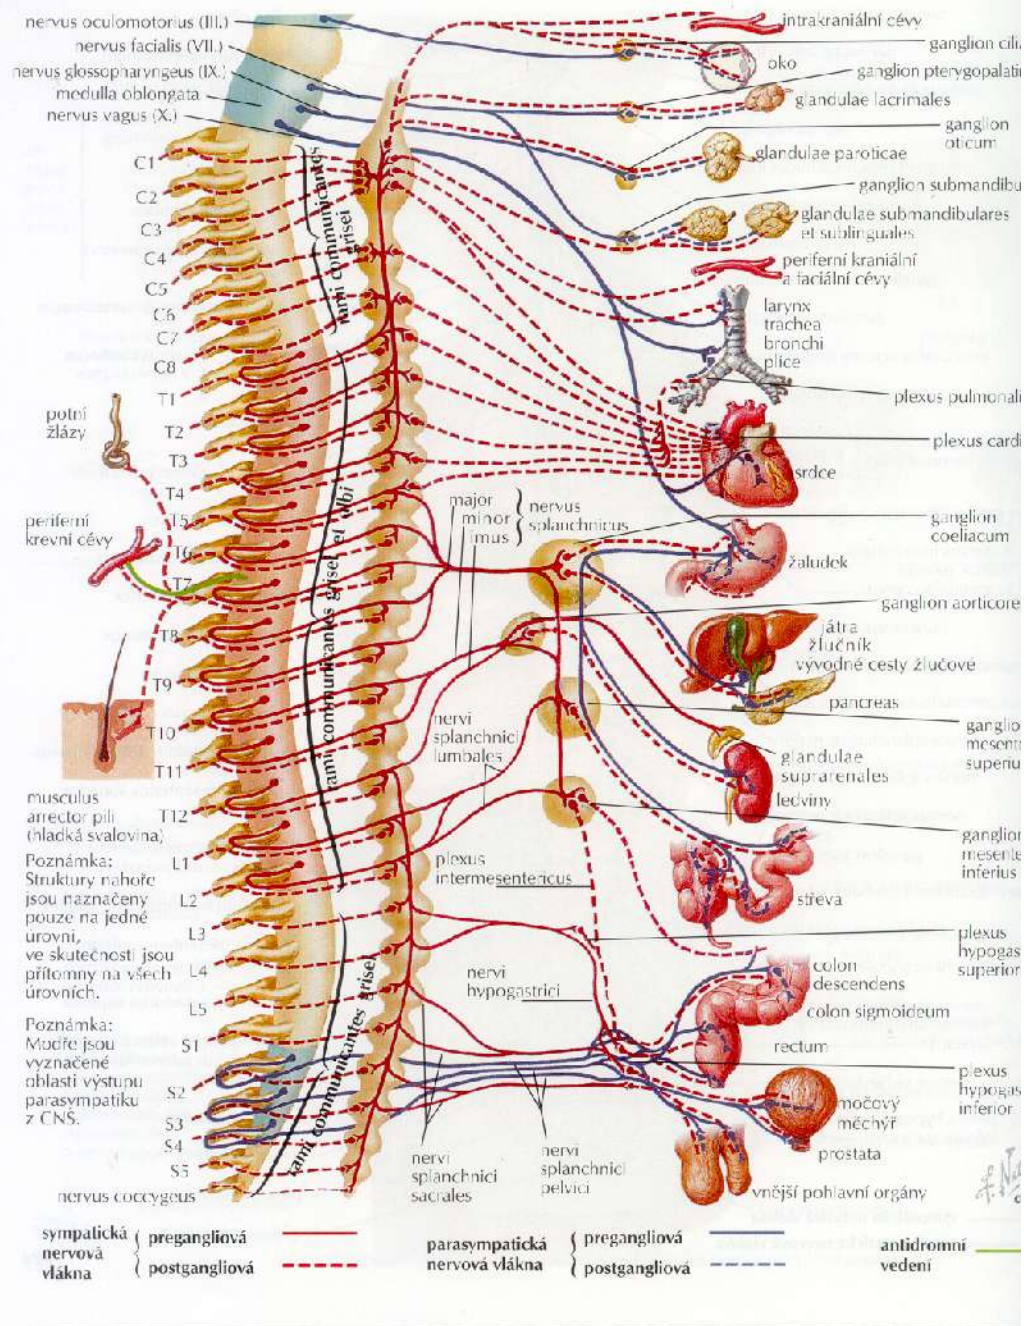

Lymphatická drenáž -pars supramesocolica

F. H. Netter: *Anatomický atlas člověka*. Grada/Avicenum, Praha, 2003

Lymphatická drenáž -střevo

Inervace távicího systému

Parasympatická
Vagus + Sakrální
(modrá)

Sympatická
Míšní (červená)

F. H. Netter: Anatomický atlas
člověka. Grada/Avicenum, Praha,
2003
